Dear Browns Valley Elementary School Students and Families,

Welcome to the 2022-2023 school year! I speak for everyone on campus when I say that we are so excited to see all of our students after summer break. Browns Valley staff is earnestly dedicated to the success of every student. We are especially enthusiastic about our emphasis on integrating STEAM (science, technology, engineering, art, and mathematics) into our practices. This year we are looking forward to receiving silver level recognition for our PBIS (Positive Behavior Interventions and Supports) program, and we look forward to continuing our development of expectations and acknowledgement for students. I encourage all of our families to learn about and join our Browns Valley PTA. Our PTA is incredible; they work hard to support and enrich the learning environment for all students.

***Please join us August 10<sup>th</sup> at 5:30 – 6:30 for Back to School Night***
